

Labornet No. 1273

Increase in Pension Benefits. Changes in the basis for calculating employees' contributions as from the accrued month of September 2021 - Resolution No. 178/2021 by ANSeS (Social Security Administration).

Dear All,

We would like to inform that on May 27, 2021, the reference Resolution was published in the Official Gazette, establishing the minimum and maximum amount for pension benefit as from September 2021: ARS 25,922.42 and ARS 174,433.38, respectively.

In addition, this Resolution also states that the minimum and maximum taxable bases provided in the first paragraph of Section 9 of Act No. 24241, text according to Act No. 26222, now amount to ARS 8,730.67 and ARS 283,742.60, respectively, as from the accrued month of September 2021.

Finally, it also establishes the Universal Basic Benefit (PBU, for its acronym in Spanish) and the Universal Pension Benefit for Senior Citizens (PUAM, for its acronym in Spanish).

Best regards,

Paula Analía Babij
